*C* *Am* *F*
We ran through strawberry fields and smelt the summer time
*C* *Am* *G*
When it gets dark I'll hold your body next to mine
*C* *Am* *F*
And then we'll find some wood and hell, we'll build a fire
*C* *Am* *G*
And then we'll find some rope and make a string guitar

*C* *G*
Captivated by the way you look tonight
*F* *G* *F*
The light is dancing in your eyes, your sweet eyes

*C* *G*
Times like these we'll never forget
*Am* *F*
Staying out to watch the sunset
*C* *G* *F*
I'm glad I shared this with you
*C* *G*
You set me free
*Am* *F*
Showed me how good my life could be
*C* *G* *F*
How did this happen to me?
*C*
Yeah, oh oh

*C* *Am* *F*
And then I'll swing you girl, until you fall asleep
*C* *Am* *G*
And when you wake up you'll be lying next to me, ba ba
*C* *Am* *F*
We'll go to Hollywood, make you a movie star
*C* *Am* *G*
I want the the world to know how beautiful you are

*C* *G*
Captivated by the way you look tonight
*F* *G* *F*
The light is dancing in your eyes, your sweet eyes

*C* *G*
Times like these we'll never forget
*Am* *F*
Staying out to watch the sunset
*C* *G* *F*
I'm glad I shared this with you
*C* *G*
You set me free
*Am* *F*
Showed me how good my life could be
*C* *G* *F*

How did this happen to me?
*C*
Yeah, oh oh

*C* *G* *F*
There are no secrets to be told
*C* *G* *F*
Nothing we don't already know, bum bum bum
*C* *G* *F*
We've got no fears of growing old
[C](pause) *G* (pause) *F*
We've got no worries in the world

*C* *G*
Ba ba, ba ba ba ba ba ba, ba ba ba
*F* *G*
Ba ba, ba ba ba ba ba baaaaaaaa, ba ba
*C* *G*
Ba ba, ba ba ba ba ba ba, ba ba ba
*F* *G*
Ba ba, ba ba ba ba ba baaaaaaaa, ba ba
*C* *G*
Ba ba, ba ba ba ba ba ba, ba ba ba
*F* *G*
