You're getting older
your journey's been
Etched on your skin
F#m
Simona
       Ε
I guess I know her
We seemed so strong
We've been there and gone
F#m
I will call you up everyday Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
F#m
And though time goes by
I will always be
In a club with you
D
It was 1973
singing "Here we go again"

Wish I was sober

So I could see clearly now
     Α
The rain has gone
F#m
Simona
I guess it's over
My memory plays our tune
The same old song
F#m
and though time goes by
