

C# Fm G#
My song is love
C# Fm G#
Love to the loveless shown
C# Fm G#
And it goes up
F# C# G#
You don't have to be alone

C# Fm G#
Your heavy heart
C# Fm G# F#
Is made of stone
C# Fm G#
And it's so hard to see you clearly
F# C# G#
You don't have to be on your own
F# C# G#
You don't have to be on your own

F# C# G#
And I'm not gonna take it back
F# C# G#
Well I'm not gonna say I don't mean that
F# C# G#
You're the target that I'm aiming at
F# C# G#
And I get that message home

C# Fm G#
My song is love
C# Fm G# F#
My song is love, unknown
C# Fm G#
I'm on fire for you, clearly
F# C# G#
You don't have to be alone
F# C# G#
You don't have to be on your own

F# C# G#
And I'm not gonna take it back
F# C# G#
And, I'm not gonna say I don't mean that
F# C# G#
You're the target that I'm aiming at
F# C# G#
But I'm nothing on my own
F# C# G#
Got to get that message home

F C# G#
F C# G#

F# C# G#
And I'm not gonna stand and wait
F# C# G#
not gonna leave it until it's much too late
F# C# G#
On a platform, I'm gonna stand and say
F# C# G#
That I'm nothing on my own
F# C# G#
And I love you, please come home

F# C# G# A#m
F# C# G#
A#m F# C# G# A#m
My song is love, is love unknown
F# C# G# A#m
And I've got to get that message home
