

When I was with you there

That you can hardly stand

When we are far away

You're sure we don't long for?

When anything goes wrong

You know you're not alone

$$E \qquad \qquad \qquad G A$$

Now you are fine alone, no man, no stress, so on...

I want to sing this song, remind you of all

A C

E *G A C*

$$E \qquad \qquad \qquad G$$

A C

$$E \qquad \qquad \qquad G A$$
$$C \qquad E \qquad G$$

The funny thing is what you've done was all
A C
Was all the things you've made up on your own
E G A C
That seemed to be so real when we were home
E G
I've seen it in your eyes that you felt so
A C
That happiness is easy as we've thought
E G A
Somehow you have just changed your mind and gone

A
Well do what you want to
D Dsus4
And have it all!
