

Intro: *Em7 Am*

*Am*                      *G*   *Fmaj7*                      *Em / D*  
Don't believe what you hear, don't believe what you see  
*Am*                      *G*           *Fmaj7*           *Em / D*  
If you just close your eyes you can feel the enemy

When I first met you girl, you had fire in your soul  
What happened your face of melting snow?

*C*  
Now it looks like this  
*Am7*  
and you can swallow or you can spit  
*F*                      *G*  
You can throw it up or choke on it

And you can dream, so dream out loud  
*F*                      *G*                      *Am7*  
You know that your time is coming 'round  
*F*                      *G*                      *Am*  
Don't let the bastards grind you down

No nothing makes sense, nothing seems to fit  
I know you'd hit out if you only knew who to hit  
And I'd join the movement if there was one I could believe in  
Yeah I'd break bread and wine if there was a church I could receive in

'Cos I need it now  
To take the cup, to fill it up  
To drink it slow, I can't let you go  
And I must be an Acrobat to talk like this and act like that  
And you can dream, so dream out loud  
... Don't let the bastards grind you down

What are we going to do now it's all been said?  
No new ideas in the house, and every book has been read

And I must be an acrobat  
To talk like this and act like that  
And you can dream, so dream out loud  
And you can find your own way out  
You can build and I can will  
And you can call I can't wait until  
You can stash and you can seize  
In dreams begin responsibilities  
And I can love, and I can love  
I know that the tide is turning 'round  
...Don't let the bastards grind you down
