Estoy loca enamorada de ti

Intro: *Em C Em B*

Em C D G

It seemed to be like the perfect thing for you and me

Em C D G

It's so ironic you're what I had pictured you to be

Em C D G

But there are facts in our lives we can never change

Em C B

Just tell me that you understand and feel the same

Em C D G

This perfect romance that I've created in my mind

Em C D G

I'd live a thousand lives each one with you right by my side

Em C D G

But yet we find ourselves in a less than perfect circumstance

Em C B

And so it seems like we'll never have the chance

Em C

Ain't it funny how some feelings you just can't deny

B Em

And you can't move on even though you try

Em C

Ain't it strange when you're feeling things you shouldn't feel

B

Oh I wish this could be real

Em C

Ain't it funny how a moment could just change your life

B Em

And you don't want to face what's wrong or right

Em C

Ain't it strange how fate can play a part

B

In the story of your heart

Em C D G

Sometimes I think that a true love can never be

Em C D G

I just believe that somehow it wasn't meant to me

Em C D G

Life can be cruel in a way that I can't explain

Em C B

And I don't think that I could face it all again

Em C D G

I barely know you but somehow I know what you're about

Em C D G

A deeper love I've found in you, and I no longer doubt

Em C D G

You've touched my heart and it altered every plan I've made

Em C B

And now I feel that I don't have to be afraid
