

Am7 *Em*
Don't you know you've got your daddy's eyes?
Dm7 *Am*
Your daddy was an alcoholic
But your mother kept it all inside
She threw it all away

I was looking for another you
I found another war
I was looking for another you
And I looked round, you were gone

Am *Em*
Still by my side
Dm *Am*
And the pipe dream is yours now
Still by my side
And the singer won't get in our way

Don't you know you've got your daddy's eyes?
Your daddy was an alcoholic
But your mother kept it all inside
She threw it all away

I was looking for another you
I found another war
I was looking for another you
When I looked around you were gone

Still by my side
And the pipe dream is yours now
Still by my side
And the singer won't get in our way

Don't you know you've got your daddy's eyes?
Daddy was an alcoholic
But your mother kept it all inside
She threw it all away

I was looking for another chance
To see your blue eyed problem
