Am

I get caught in the water

c

I get thrown in the wind

Am C

I can drown in the river

Em

While the sun burns down

Am C

I get tossed by the ocean

G

All deep in the sand

Am C

I'm drown out by the thunder

Em

Lost in the land

Am

Is anyone listening?

D

Is anyone around to see

Am

That I'm doing it all for you?

С

I'm doing it all for you

Em

I'm ready to go

D

I'm ready to go

Am

I'm doing it all for you

C

I'm doing it all for you

Em

I'm ready to go

D

I'm ready to go
