

C Em Am G / B x2

C Em Am G / B

Think of me when you're out, when you're out there

C Em Am G / B G

I'll beg you nice from my knees

C Em Am G / B

And when the world treats you way too fairly

C Em Am G / B

Well it's a shame I'm a dream

C Em Am G / B

All I wanted was you

C Em Am

All I wanted was you

C Em Am G / B x2

C Em Am G / B

I think I'll pace my apartment a few times

C Em Am G / B

And fall asleep on the couch

C Em Am G / B

And wake up early to black and white re-runs

C Em Am G / B

That escape from my mouth

C Em Am G / B

All I wanted was you

C Em Am G

All I wanted was you

C Em Am G / B

All I wanted was you

C Em Am G / B

All I wanted was you

C Em Am G / B x2

C Em Am G / B

I could follow you to the beginning

C Em Am G / B

Just to relive the start

C Em Am G / B

And maybe then we'd remember to slow down

C Em Am G / B

At all of our favourite parts

C Em Am G / B

All I wanted was you

C Em Am G

All I wanted was you

C Em Am G / B

All I wanted was you

C Em Am G / B

All I wanted was you

C Em Am G / B C
All I wanted was you
