

Am *G*
All the right friends in all the right places
C *F*
So yeah, we're going down

Am *G*
All the right moves in all the right faces
C *F*
So yeah, we're going down

Am
Let's paint the picture
G
of the perfect place
C F
They've got it better than when anyone's told ya
Am G
They'll be the King of Hearts, and you're the Queen of Spades
C F
Then we'll fight for you like we were your soldiers

Am
I know we've got it good
G
but they've got it made
C F
And the grass is getting greener each day
Am G
I know things are looking up, but soon they'll take us down
C F
Before anybody's knowing our name

Am *G*
All the right friends in all the right places
C *F*
So yeah, we're going down
Am *G*
All the right moves in all the right faces
C *F*
So yeah, we're going down
Am *G* *C*
Everybody knows, everybody knows where we're going
F
yeah, we're going down
Am *G* *C*
Everybody knows, everybody knows where we're going
F
yeah, we're going down

Am
Do you think I'm special?
G
Do you think I'm nice
C F
Am I bright enough to shine in your spaces?

Am G

Between the noise you hear, and the sounds you like

C F

Are we just sinking the ocean of faces?

Am G

It can't be possible... the rain can fall

C F

Only when its over our heads.

Am G

The sun is shining everyday, but it's far away.

C F

Over the world that's dead.

Am

It don't matter what you see

G

I know I could never be

C F

Someone that'll look like you.

Am

It don't matter what you say

G

I know I could never fake

C F

Someone that could sound like you.

Am G C

All the right moves...heeey

F

yeah we're going down

they say

Am G C

all the right moves... heeey

F

yeah we're going down
