

Intro: Emadd9, C, D (x 3)

Emadd9, C, G, D

Emadd9                    C     D

I'd like to see you in the morning light.

Emadd9                    C     G   D

I like to feel you when it comes to night.

Emadd9                    C   D

Now I'm here, and I'm all alone.

C     D            B   B   B

Still I know how it feels.

C   D

I'm alone again.

Chorus:

Em                    G     D

Tried so hard, to make you see.

Em                    G   D   A

But I couldn't find the words.

Em                    G     D

Now the tears, they fall like rain,

C     D            Em

I'm alone again without you.

C     D            Em

Alone again without you.

C     D            Em

Alone again without you.

C     D            Em add 9

Alone again, without you...
