

E B F#m A
Come on, my star is fading
And I swerve out of control
If I, if I'd only waited
I'd not be stuck here in this hole
Come here my star is fading
And I swerve out of control
And I swear I waited and waited
I've got to get out of this hole
F#m A
But time is on your side
E B
Its on your side now
F#m A
Not pushing you down and all around
E B
It's no cause for concern
Come on, oh my star is fading
And I see no chance of release
And I know I'm dead on the surface
But I am screaming underneath
And time is on your side
Its on your side now
Not pushing you down
And all around, no
It's no cause for concern
Stuck on the end of this ball and chain
And I'm on my way back down again
Stood on a bridge, tied to the noose
Sick to the stomach
You can say what you mean
But it won't change a thing
I'm sick of the secrets
Stood on the edge, tied to a noose
You came along and you cut me loose
You came along and you cut me loose
You came along and you cut me loose.
