Angel - put sad wings around me now
Protect me from this world of sin
So that we can rise again

Oh angel - we can find our way somehow
Escaping from the world we're in
To a place where we began

G Bm
And I know we'll find a better place and
G Bm
peace of mind just tell me that it's
G Em F#
all you want - for you and me
F#
Angel won't you set me free

Angel remember how we'd chase the sun
Then reaching for the stars at night
As our lives had just begun

When I close my eyes I hear your velvet wings and cry

I'm waiting here with open arms - oh can't you see

Angel shine your light on me
