

*F*  
I've been looking for answers  
*C Dm*  
I've been looking for change  
*C Bb*  
I've been looking for dancers  
*C Dm*  
In the middle of the rain  
*F C*  
Might seem a mile away  
*Dm*  
It might seem insane  
*C Bb*  
You could be a smile away  
*C Dm*  
Could you feel my pain  
*Pre-Chorus Bb*  
How do I reach you  
*C*  
What's underneath you  
*Dm C*  
Keeping you safe and sound  
*Bb*  
Found what I'm chasing  
*C*  
Heart's racing  
*F*  
When you're around it feels like  
*Chorus F C Dm C*  
Angels over me  
*Bb C Dm*  
I've never seen them before  
*F C Dm C*  
But I feel angels over me  
*Bb C Dm Bb C Dm*  
I hear them sing I love you more, I love you more, I love you more  
*C Bb C F*  
I love you more, I love you more  
*F*  
Got the keys to the kingdom  
*C Dm*  
And it felt like a cage  
*Bb*  
I had to look for the wisdom  
*C Dm*  
Right there on the page  
*F C*  
And are you kings and queens and in between  
*Dm C*  
We're okay  
*Bb C*  
Staying higher than the mezzanine  
*Dm*  
We're okay
