D D G Do you gaze at your doorstep and picture me there? С Em D D Is your heart filled with pain, shall I come back again? G7 C G7 Tell me dear are you lonesome tonight.

I wonder if you are lonesome tonight You know someone said that the world is a stage And you must play a part. Fate had me playing in love twes my sweet heart. Act one was when I met you, I loved you at first glance You read your line so cleverly and never missed a 'q' Then came act 2, you seemed to change and you acted strange And why I'll never know. Honey, you're lying when you said you loved me And I had no cause to doubt you. But I'd rather go on hearing your lies Than go on living without you. Now the stage is bare and I'm standing there With emptiness all around And if you won't come back to me Then make them bring the curtain down.

Is your heart . . .
