[Big Sean]

I don't know if this makes sense, but you're my hallelujah  
Give me a time and place, and I'll rendezvous, and I'll fly you to it,  
I'll beat ya there

Girl you know I got you

Us, trust...

A couple of things I can't spell without you

Now we are on top of the world, 'cause that's just how we do

Used to tell me sky's the limit, now the sky's is our point of view

Man now we stepping out like wow (Oh God)

Camera's pointed shoot,

Ask me what's my best side, I stand back and point at you

You, you the one that I argue with, I feel like I need a new girl to be bothered

,

But the grass ain't always greener on the other side,

It's green where you water it

So I know we got issues baby true true true

But I'd rather work on this with you

Than to go ahead and start with someone new

As long as you love me
