

F *G*
I hold my breath as this life starts to take its toll
F *G*
I hide behind a smile as this perfect plan unfolds
F
but oh, God, I feel I've been lied to
G
lost all faith in the things I have achieved

and I

F *G#*
I've woken now to find myself
C *Eb*
in the shadows of all I have created
F *G#*
I'm longing to be lost in you
C
(away from this place I have made)
Eb
won't you take me away from me

F *G*
Crawling through this world as disease flows through my veins
F *G*
I look into myself, but my own heart has been changed
F
I can't go on like this
G
I loathe all I've become

[Chorus]
F *C*
Lost in a dying world i reach for something more
F *C*
I have grown so weary of this lie I live

[Chorus]
