

C (Dm#) Am (C#)
 I do believe in fake is that`s how we`ve met
 F (G#) G (B)
 It was raining and we were so can wet
 Em (Gm) Dm (Fm)
 You took the last of cabs on the empty street
 F (G#) G (B)
 And you smiled on me and sayed :-"Take a sit!"
 I said "Do you believe in love at first sight?
 "You said "If you give me a reason,i might."
 I care when your hair is wet,and you close our maize
 And you make a bustle on your face
 Chorus: Am (Cm)
 And still you`re so beautiful
 F (G#) Dm (Fm)
 So sweet and just adorable
 G (B) Am (Cm)
 You are a miracle
 F (G#) Dm (Fm) G (B)
 Simply is...is stable
 You are so beautiful
 So sweet and just adorable
 You are the finest thing i`ve ever dreamed of

There is been seven years when nothing a day
 Since we`ve met and i`m so happy to say
 To tell where we mere a life and dedicate our lifes
 To the pressurest things we have per love
 So now i`m standing here where just it began
 In a black tax where you told me to wear
 And when you walking in the amasing thing
 You take my breath away, `cose you are so...
 Chorus:
 The reacher and poorer
 Till deaf there was part
 In sicknessing health you are always in my heart
 Till the day when we old and grey
 I will cherish you,love you,
 And merryly kind a way
