

*F*            *C G*  
Maybe it's the way she walked  
*F*            *C G*  
Straight into my heart and stole it  
*F*            *C G*  
Through the doors and past the guards  
*F*            *C G*  
Just like she already owned it

Pre Chorus:

*F*            *G*  
I said, "Can you give it back to me?"  
*F*            *G*  
She said, "Never in your wildest dreams."

Chorus:

*F*            *C G*  
And we danced all night to the best song ever  
*F*            *C G*  
We knew every line now I can't remember  
*F*            *C G*  
How it goes but I know that I won't forget her  
*F*            *C G*  
Cuz we danced all night to the best song ever  
*F*  
I think it went oh, oh, oh  
*C*            *G*  
I think it went yeah, yeah, yeah  
*F*            *C G*  
I think it goes...

*F*            *C G*  
Said her name was Georgia Rose  
*F*            *C G* (down stroke twice on *G*)  
And her daddy was a dentist  
*F*            *C G*  
Said I had a dirty mouth (I got a dirty mouth)  
*F*            *C G*  
But she kissed me like she meant it

*F*            *G*  
I said, "Can I take you home with me?"  
*F*            *G*  
She said, "Never in your wildest dreams."

Chorus:

*F*            *C G*  
And we danced all night to the best song ever
