*F# Bbm Ebm*  
It's been the longest winter without you

*F# B*  
I didn't know where to turn to  
*F# Bbm Ebm*  
See somehow I can't forget you

*F# B*  
After all that we've been through

*F#*  
Go in, come in

Thought I heard a knock  
*Bbm*

Who's there? No one  
*Ebm F#*  
Thinking that I deserved it  
*B*

Now I realize that I really didn't know

*F#*  
You didn't notice, you mean everything

*Bbm*  
Quickly I'm learning, to love again  
*Ebm F# B*

All I know is, I will be ok

*F# Bbm*  
Thought I couldn't live without you  
*Ebm F#*

It's gonna hurt when it heals too  
*B*

It'll all get better in time

*F# Bbm*  
Even though I really love you  
*Ebm F#*

I'm gonna smile cause I deserve to  
*B F#*

It'll all get better in time

*F# Bbm*  
How could I turn on the tv  
*Ebm F# B*

Without something there to remind me
