Em G D
Billy's leaving today, don't know where he's going

He knows the price that he's paid, he admits
Cadd9 D
That it's too late to admit that he's afraid.

CHORUS

G Em D
Tomorrow comes, sorrow becomes his soul mate
G Em D
The damage is done, the prodigal son is too late
Em G D
Old doors are closed but he's always open
Cadd9 D
To relive time in his mind, oh Billy.
