

Em *A*
Here comes the rain
 C *Em*
Another day, another storm
 A *C*
I've been down, down, down
 Em
For oh, so long

C *A*
I'll walk this mile
Em *A*
And I'll ask no quarter
 C
For in the end
D *Bm* *Em*
Blood is thicker than water

They try to break me but I refuse to die
They try to break me but I refuse to cry

Here comes the rain
Another day, another storm

I'll walk this mile
And I'll ask no quarter
For in the end
Blood is thicker than water
