Am Take me back to my boat on the river I need to go down, I need to come down Am Take me back to my boat on the river Am And I won't cry out anymore Am С Time stands still as I gaze in her waters She eases me down, touching me gently With the waters that flow past my boat on the river So I don't cry out anymore G Oh the river is wide CAm The river it touches my life like the waves on the sand Am And all roads lead to Tranquillity Base Where the frown on my face disappears Am CTake me down to my boat on the river Am And I won't cry out anymore G Oh the river is deep C The river it touches my life like the waves on the sand And all roads lead to Tranquillity Base Where the frown on my face disappears Am CTake me down to my boat on the river I need to go down, won't you let me go down Am Take me back to my boat on the river And I won't cry out anymore Am And I won't cry out anymore Am

And I won't cry out anymore...
