

C *Em*
 Your mouth is a revolver firing bullets in the sky.
C *Em*
 Your love is like a soldier, loyal till you die.
F *Am*
 And I've been looking at the stars for a long, long time.
C
 I've been putting out fires all my life.
G
 Everybody wants a flame, but they don't want to get burnt.
C
 And today is our turn.

C *Am* *F*
 Days like these lead to, nights like this lead to love like ours,
Am *G*
 You light the spark in my bonfire heart.
C *Am*
 People like us, we don't need that much.
F *Am* *G*
 Just someone that starts, starts the spark in our bonfire hearts.

C *Em*
 This world is getting colder. Strangers passing by.
C *Em*
 No one offers you a shoulder. No one looks you in the eye.
F *Am*
 But I've been looking at you for a long, long time.
C
 Just trying to break through, trying to make you mine.
G
 Everybody wants a flame, they don't want to get burnt
C
 Well today is our turn.
