

*C* *Em*  
Your mouth is a revolver firing bullets in the sky.  
*C* *Em*  
Your love is like a soldier, loyal till you die.  
*F* *Am*  
And I've been looking at the stars for a long, long time.  
*C*  
I've been putting out fires all my life.  
*G*  
Everybody wants a flame, but they don't want to get burnt.  
*C*  
And today is our turn.

*C* *Am* *F*  
Days like these lead to, nights like this lead to love like ours,  
*Am* *G*  
You light the spark in my bonfire heart.  
*C* *Am*  
People like us, we don't need that much.  
*F* *Am* *G*  
Just someone that starts, starts the spark in our bonfire hearts.

*C* *Em*  
This world is getting colder. Strangers passing by.  
*C* *Em*  
No one offers you a shoulder. No one looks you in the eye.  
*F* *Am*  
But I've been looking at you for a long, long time.  
*C*  
Just trying to break through, trying to make you mine.  
*G*  
Everybody wants a flame, they don't want to get burnt  
*C*  
Well today is our turn.
