

*G D*

Feet don't fail me now

*G D*

Take me to the finish line

*C Em*

All my heart, it breaks every step that I take

*D*

But I'm hoping that the gates,

They'll tell me that you're mine

*G D*

Walking through the city streets

*G D*

Is it by mistake or design?

*C Em*

I feel so alone on a Friday night

*D*

Can you make it feel like home, if I tell you you're mine

It's like I told you honey

*C G*

Don't make me sad, don't make me cry

*D Em*

Sometimes love is not enough when the road gets tough

I don't know why

*C G*

Keep making me laugh,

Let's go get high

*D*

Road's long, we carry on

*Em*

Try to have fun in the meantime

*C G*

Come and take a walk on the wild side

*D*

Let me kiss you hard in the pouring rain

*Em*

You like your girls insane

*C G*

Choose your last words

*D*

This is the last time

*Em*

Cause you and I, we were born to die

*G D*

Lost but now I am found

*G D*

I can see but once I was blind

*C Em*

I was so confused as a little child

*D*

Tried to take what I could get

Scared that I couldn't find

All the answers, honey

*C G*

Don't make me sad, don't make me cry

*D Em*

Sometimes love is not enough when the road gets tough

I don't know why

*C G*

Keep making me laugh,

Let's go get high

*D*

Road's long, we carry on

*Em*

Try to have fun in the meantime

*C G*

Come and take a walk on the wild side
