

G *D*
Feet don't fail me now

G *D*
Take me to the finish line

C *Em*
All my heart, it breaks every step that I take

D
But I'm hoping that the gates,

They'll tell me that you're mine

G *D*
Walking through the city streets

G *D*
Is it by mistake or design?

C *Em*
I feel so alone on a Friday night

D
Can you make it feel like home, if I tell you you're mine

It's like I told you honey

C *G*
Don't make me sad, don't make me cry

D *Em*
Sometimes love is not enough when the road gets tough

I don't know why

C *G*
Keep making me laugh,

Let's go get high

D
Road's long, we carry on

Em
Try to have fun in the meantime

C *G*
Come and take a walk on the wild side

D
Let me kiss you hard in the pouring rain

Em
You like your girls insane

C *G*
Choose your last words

D
This is the last time

Em
Cause you and I, we were born to die

G *D*
Lost but now I am found

G *D*
I can see but once I was blind

C *Em*

I was so confused as a little child

D

Tried to take what I could get

Scared that I couldn't find

All the answers, honey

Don't make me sad, don't make me cry
