

Opening Riff...Repeat it 5 times

```
e|-----|
B|-----|
G|--4-4-4-3-3-3-2----2-2-4-7-4----4-4-4-3-3-3-2---|
D|--4-4-4-3-3-3-2----2-2-4-7-4-2--4-4-4-3-3-3-2---|
A|--2-2-2-1-1-1-0----0-0-2-5-2-2--2-2-2-1-1-1-0---|
E|-----0-----|
```

Then its the chorus(?) part

```
e|-----|
B|-----|
G|-----|
D|--10-6-3---10-6-8--|
A|--10-6-3---10-6-8--|
E|--8-4-1---8-4-6--|
```

This isn't the proper amount of strumming but play along and pick up the right strumming.

Then play this again 5 more times

```
e|-----|
B|-----|
G|--4-4-4-3-3-3-2----2-2-4-7-4----4-4-4-3-3-3-2--|
D|--4-4-4-3-3-3-2----2-2-4-7-4-2--4-4-4-3-3-3-2--|
A|--2-2-2-1-1-1-0----0-0-2-5-2-2--2-2-2-1-1-1-0--|
E|-----0-----|
```

Then the chorus again...

```
e|-----|
B|-----|
G|-----|
D|--10-6-3---10-6-8--|
A|--10-6-3---10-6-8--|
E|--8-4-1---8-4-6--|
```

Then the solo...which I didn't tab out :)

Then play a G and then play...

```
e|-----|
B|---5s7--0-3----5s7--0-3-3-----|
G|-----2-----7-----7---|
D|-----5--7--5--7--5|
A|-----5--5--5--5--5|
E|-----3-----3-----3|
```

Then back to that opening riff (x4). It sounds like they're also playing a solo along with it but I didn't tab the solo out.
