Verse:
(A - Asus2)
What's the world coming to
F#m
What are we all runnig to
 E
Now all our dreams are coming true
                    (A - Asus2)
We can let them break us in two hearts that beat as one
F#m
And let the clouds go above the sun
E   Dsus2
If I'm ramblin' I'm guilty of wearing my heart on my sleeve

Chorus:
      Asus2
When it hurts (breathe)
        Dsus2
When it burns (breathe)
Bm   G
The feeling inside you is feeling like I did
       Asus2
Take a breath
        Dsus2
Let it out
Bm
Just close your eyes
      G
Don't hold it inside you
A

Verse:
(A - Asus2)
He said baby look down tonight
        F#m
There is sometihng wrong and that ain't right
          E
I hear you talking in your sleep
I wanna dive in your dreams
   (A - Asus2)
And wrap my lovin' arms around you
       F#m
Protect you when the winds crashed down on you
          E
When you're lost and you're scared
Dsus2
I'll be the air

Chorus:
      Asus2
When it hurts (breathe)
        Dsus2
When it burns (breathe)
Bm   G

The feeling inside you is feeling like I did
    Asus2
Take a breath
    Dsus2
Let it out
Bm
Just close your eyes
   G
Don't hold it inside you
A

Bridge:
    F#m   *Bm*
When you give and you take
  Dsus2   *Asus2*
And feels like something breaks
   D   *Bm*
It's alright
Asus2

Instrumental:
(*A - Asus2*) *F#m - E - G*

Bridge2:
    Asus2   *Dsus2*
When it hurts, when you doubt
    Bm   *E*
When it burns, let it out
    Asus2
When you give
    Dsus2
When you love
    Bm
When you live
   E
When you touch

  Dsus2   *F#m*
If all that we got is each other
   Asus   Asus/*G#*
Then all that we got is allowed

Chorus:
    Asus2
When it hurts (breathe)
    Dsus2
When it burns (breathe)
Bm   *G*
The feeling inside you is feeling like I did
    Asus2
Take a breath
    Dsus2
Let it out
Bm
Just close your eyes

```
     G
Don't hold it inside you
A

F#m        E         Asus2
Just breathe, breathe, just breathe...
```
