

*Bm G A*

*Bm G A Bm G A*

I've been looking in the mirror for so long

*Bm G A Bm G A*

That I've come to believe my soul's on the other side

*Bm G A Bm G A*

All the little pieces falling shattered

*Bm G A Bm G A*

Shards of me too sharp to put back together

*F# G Bm G A*

too small to matter, but big enough to cut me

*F# G*

into so many little pieces

*A*

If I try to touch her

*G A G A*

and I bleed, I bleed,

*Bm A Bm A Bm*

And I breathe I breathe no more.

*Bm G A*

*Bm G A Bm G A*

Take a breath and I try to draw from my spirits well

*Bm G A Bm G A*

Yet again you refuse to drink like a stubborn child

*Bm G A Bm G A*

Lie to me convince me that I've been sick for ever

*Bm G A Bm G A*

And all of this will make sense when I get better

*F# G Bm G A*

But I know the difference between myself and my reflection

*F# G A*

I just can't help but to wonder which of us do you love

*G A G A*

So I bleed, I bleed,

*Bm A Bm A*

And I breathe, I breathe no...

*G A G A*

Bleed, I bleed,

*Bm A Bm A Bm*

And I breathe, I breathe,

*Bm A Bm A Bm*

I breathe, I breathe no more

*Bm G A Bm G A*
