

*Em*  
How can you see into my eyes  
*Am*  
Like open doors  
*Em*                      *Am*  
Leading you down into my core  
*Am*    *C*            *B*  
Where I become so numb  
*Em*            *Am*  
Without a soul  
*Em*            *B*  
My sprit is sleeping somewhere cold  
*Em*            *Am*                      *C*  
Until you find it there and lead  
*C*    *B*    *Em*  
It back home

*Em*            *Am*  
(Wake me up)  
Wake me up inside  
*Am*                      *C*  
(I can't wake up)  
Wake me up inside  
*C*                      *B*                      *Em*  
(Save me)  
Call my name and save me from the dark

*Em*            *Am*  
(wake me up)  
Bid my blood to run  
*Am*                      *C*  
(I can't wake up)  
Before I come undone  
*C*                      *B*                      *Em*  
(Save me)  
Save me from the nothing I've become

*Em*                      *Am*  
Now that I know what I'm without  
*Am*  
You can just leave me  
*Em*                      *C*  
Breath into me and make me real  
*C*    *B*    *Em*  
Bring me to life

*Em*            *Am*  
(Wake me up)  
Wake me up inside  
*Am*                      *C*  
(I can't wake up)  
Wake me up inside  
*C*                      *B*                      *Em*  
(Save me)

Call my name and save me from the dark

*Em Am*  
(wake me up)  
Bid my blood to run  
*Am C*  
(I can't wake up)  
Before I come undone  
*C B Em(C)*  
(Save me)  
Save me from the nothing I've become  
*C D Em*  
Bring me to life  
(I've been living a lie)  
(There's nothing inside)  
*C D Em*  
Bring me to life

*Am G D*  
Frozen inside without your touch  
*D Em*  
Without your love darling  
*Am G B*  
Only you are the life  
*B*  
Among the dead

*Em*  
(All of this side I can't believe, I couldn't see)  
(Kept in the dark but you were there, in front of me)  
*Am*  
I've been sleeping a thousand year, it seems  
I've got to open my eyes to everything  
*Em*  
(Without a soul, without a thought, without a voice)  
Don't let me die here *C*  
(There must be something wrong)  
*C D Em*  
Bring me to life

*Em Am*  
(Wake me up)  
Wake me up inside  
*Am C*  
(I can't wake up)  
Wake me up inside  
*C B Em*  
(Save me)  
Call my name and save me from the dark

*Em Am*  
(wake me up)  
Bid my blood to run  
*Am C*  
(I can't wake up)

Before I come undone

*C            B            Em (C)*

(Save me)

Save me from the nothing I've become

*C    D    Em*

Bring me to life

(I've been living a lie)

(There's nothing inside)

*C    D    Em*

Bring me to life
