Verse 1:

*E C#m*

This is more than a typical kinda thing

*A*

Felt the join tsin my bones where you were touching me , oh oh

*B E*

Didn't want to take it slow

*E C#m*

In the days, going crazed, I can barely think

*A*

You're replaying in my brain, find it hard to sleep, oh oh

*B E*

Waiting for my phone to blow

*E*

Now I'm here in a sticky situation

*E*

Got a little trouble, yep and now i'm pacin'

*C#m*

Five minutes, ten minutes, now it's been an hour

*C#m*

Don't wanna think too hard, but i'm sour

*A B E*

Oh oh, I can't seem to let you go

Chorus :

See i've been waiting all day

*C#m*

For you to call me baby

*A*

So let's get up, let's get on it

*B E*

Don't you leave me broken hearted tonight

Come on, that's right

Honest baby i'll do

*C#m*

Anything you want to

*A*

So can we finish what we started

*B E*

Don't you leave me broken hearted tonight

Come on, that's right

Verse 2 :( Verse 1 ile aynı akorları...)

What's the time, such a crime

Not a single word, sipping on a patron

Just to calm my nerves, o h oh

Poppin' bottles by the phone

Oh yeah

Act me up, pat me down, turn me inside out

That's enough, hold me up  
Maybe i'm in doubt , oh oh  
Now don't even think you know, no no

[Chours]

Verse 3 :

Any thing you wanna do, i'll be on it too  
Every thing you say, it's like a gold with a view  
Business on the front, party in the back  
Maybel was wrong, was the outfit really wack  
This kinda thing doesn't happen usually  
I'm on the opposite side of it, truth fully  
I know you want it so come and get it

Uh cheerio

[Chours]

Outro :

*E*

When you gonna call

Don't leave me broken hearted

*C#m*

I've been waiting up

*A*

Let's finish what we started, oh oh

*B E*

I can't seem to let you go

Come on, that's right
