Let's see -- I've been playing this for years Great tune You need to really keep the bass line going Play the verse in open position I go up the neck for the refrain, working my way back down and ending in open position again There are some nice little runs If I get a chance, I'll TAB some of them This should all be in the TAB for the "Crossroads" compilation, but I haven't laid out the bucks for that yet

I use dots to mark beats

Verse:

D D/C D/B D/A F C D C D

Refrain:

G A D Em weary and I just ain't go-t the time

G D/F# Em D can't find my way home
