

Giriş: *Am C F C E*

Verse:

Am *C* *F* *C E*
Time to laughter but you know the answer. Who will be the one.
Am *C* *F* *C E*
To finally stand up and take a chance. 'Cause life has just begun.
Am *C*
And I don't need the tv, I don't need the shotgun
F *C E*
I don't have to run, I can reach you
Am *C*
I'll follow the feeling and swallow the meaning
F *C E*
I don't have to run if I need you. I can reach you

Chorus:

Am *C* *F*
I will do what I feel like. Hey, can't stop me now.
 C *E* *Am* *C* *F*
I will do what I feel like. Hey, can't stop me now.
 C *E*
I will do what I feel like.
