

Em

I've been cursed

Em

I've been crossed

C Am Em

I've been beaten by the ones that get me off

Em

I've been cut

Em

I've been opened up

C Am Em

I've been shattered by the ones I thought I loved

Em

You left me here like a chalk outline

C

On the sidewalk waiting for the rain

G

To wash away

Am

(Wash away)

Em

You keep coming back to the scene of the crime

C Am

But the dead can't speak and there's nothing left to say anyway

G

All you left behind

Em

Is a chalk outline

E

I've been cold

E

In the crypt

C Am Em

But not as the cold as the words across your lips

Em

You'll be sorry baby

Em

Some day

C Am Em

When you reach across the bed where my body used to lay

Em

You left me here like a chalk outline

C

On the sidewalk waiting for the rain

G

To wash away

Am

(Wash away)

Em

You keep coming back to the scene of the crime

C

But the dead can't speak and there's nothing left to say anyway

G

All you left behind

Am

Is a chalk outline

C

All you left behind

Em

Is a chalk outline

(All you left behind...)
