

*Chorus* *C* *D*  
 I'm on the run with you, my sweet love  
*Em* *Em7/D*  
 There's nothing wrong contemplating God  
*C* *D* *Em* *Em7/D*  
 Under the chemtrails over the country club  
*C* *D*  
 Wearing our jewels in the swimming pool  
*Em* *Em7/D*  
 Me and my sister just playing it cool  
*C* *D* *Em*  
 Under the chemtrails over the country club  
*C* *D* *Em* *Em7/D*  
 Take out your turquoise and all of your jewels  
*C* *D* *Em* *Em7/D*  
 Go to the market, the kids swimming pool  
*C* *D*  
 Baby what's your sign?  
*Em* *Em7/D* *C*  
 My moon's in Leo, my Cancer is sun  
*D* *Em*  
 You won't play, you're no fun  
*C* *D*  
 Well I don't care, what they think  
*Em* *Em7/D*  
 Drag racing my little red sports car  
*C* *D* *Em*  
 I'm not unhinged or unhappy, I'm just wild  
*Chorus* *C* *D*  
 I'm on the run with you, my sweet love  
*Em* *Em7/D*  
 There's nothing wrong contemplating God  
*C* *D* *Em* *Em7/D*  
 Under the chemtrails over the country club  
*C* *D*  
 Wearing our jewels in the swimming pool  
*Em* *Em7/D*  
 Me and my sister just playing it cool  
*C* *D* *Em*  
 Under the chemtrails over the country club  
  
*C* *D*  
 Meet you for coffee  
*Em* *Em7/D*  
 At the elementary schools  
*C* *D*  
 We laugh about nothing  
*Em* *Em7/D*  
 As the summer gets cool  
*C* *D* *Em*  
 It's beautiful, LSD  
*Em7/D*  
 Normality settles down over me  
*C* *D*

I'm not bored or unhappy  
*Em*  
I'm still so strange and wild  
*Chorus* *C* *D*  
You're in the wind, I'm in the water  
*Em* *Em7/D*  
Nobody's son, nobody's daughter  
*C* *D* *Em*  
Watching the chemtrails over the country club  
*C* *D*  
Suburbia, the Brentwood market  
*Em* *Em7/D*  
What to do next? Baby, we'll love it  
*C* *D* *Em*  
White picket chemtrails over the country club  
*C* *D* *Em*  
My love, my love  
*C* *D*  
Washing my hair, doing the laundry  
*Em* *Em7/D*  
Late night TV, I want you on me  
*C*  
Like when we were kids  
*D* *Em* *Em7/D*  
Under chemtrails over the country club  
*C* *D* *Em* *Em7/D*  
It's never too late baby, so don't give up  
*C* *D* *Em*  
It's never too late baby, so don't give up  
*C* *D* *Em*  
Under the chemtrails over the country club  
(You're born in the December, I'm born in June)  
*C* *D* *Em* *Em7/D*  
Yeah (Under the chemtrails, over the country club)  
You're born in the December, I'm born in June  
*C* *D* *Em* *Em7/D*  
Yeah, my Cancer is sun, and my Leo is moon  
*C* *D* *Em* *Em7/D*  
My Cancer is sun, my Leo is moon  
*Outro* *C* *D* *Em* *Em7/D*
