

Chorus C D
 I'm on the run with you, my sweet love
 Em Em7/D
 There's nothing wrong contemplating God
 C D Em Em7/D
 Under the chemtrails over the country club
 C D
 Wearing our jewels in the swimming pool
 Em Em7/D
 Me and my sister just playing it cool
 C D Em
 Under the chemtrails over the country club
 C D Em Em7/D
 Take out your turquoise and all of your jewels
 C D Em Em7/D
 Go to the market, the kids swimming pool
 C D
 Baby what's your sign?
 Em Em7/D C
 My moon's in Leo, my Cancer is sun
 D Em
 You won't play, you're no fun
 C D
 Well I don't care, what they think
 Em Em7/D
 Drag racing my little red sports car
 C D Em
 I'm not unhinged or unhappy, I'm just wild
Chorus C D
 I'm on the run with you, my sweet love
 Em Em7/D
 There's nothing wrong contemplating God
 C D Em Em7/D
 Under the chemtrails over the country club
 C D
 Wearing our jewels in the swimming pool
 Em Em7/D
 Me and my sister just playing it cool
 C D Em
 Under the chemtrails over the country club

 C D
 Meet you for coffee
 Em Em7/D
 At the elementary schools
 C D
 We laugh about nothing
 Em Em7/D
 As the summer gets cool
 C D Em
 It's beautiful, LSD
 Em7/D
 Normality settles down over me
 C D

I'm not bored or unhappy

Em

I'm still so strange and wild

Chorus C D

You're in the wind, I'm in the water

Em Em7/D

Nobody's son, nobody's daughter

C D Em

Watching the chemtrails over the country club

C D

Suburbia, the Brentwood market

Em Em7/D

What to do next? Baby, we'll love it

C D Em

White picket chemtrails over the country club

C D Em

My love, my love

C D

Washing my hair, doing the laundry

Em Em7/D

Late night TV, I want you on me

C

Like when we were kids

D Em Em7/D

Under chemtrails over the country club

C D Em Em7/D

It's never too late baby, so don't give up

C D Em

It's never too late baby, so don't give up

C D Em

Under the chemtrails over the country club

(You're born in the December, I'm born in June)

C D Em Em7/D

Yeah (Under the chemtrails, over the country club)

You're born in the December, I'm born in June

C D Em Em7/D

Yeah, my Cancer is sun, and my Leo is moon

C D Em Em7/D

My Cancer is sun, my Leo is moon
