

Am
Mine, immaculate dream,
C
Made of breath and skin,
G Em
I've been waiting for you,
Am
Signed with a whole tattoo,
C
Happy birthday to you,
G Em
Was created for you.

Am
I cant help but keep from falling apart,
G
At the seams,
Am
I cannot believe their taking my heart,
C G
Into pieces

Am
Ohh it might take a little time,
C
Might take a little crime,
G Em
To come undone,
F
Now we'll try,
F
To stay blind,
G Em
To the hope and fear outside,
F G
Hey child, stay wilder than the wind, can blow me in,
Am
To crime,
C
Who do you need,
F
Who do you love,
G F Am
When you come undone.
