

Am

keep holding on

G

when my brain's tickin' like a bomb

F

Em

guess the black bots have come again to get me

Am

sweet bitter words

G

unlike nothing i have heard

F

sing along mocking bird

E

you don't affect me

A G A G

that's right

A G A G

deliverance of my heart

A G A G

be straight

A G A G

be deliverance

A

wait

G

i'm coming undone

A

unlaced

G

i'm coming undone

A

too late

G

i'm coming undone

A

what looks so strong

G

so delicate

A

wait

G

i'm starting to suffocate

A

Unclead

G

and soon i anticipate

A

So Korns

G

i'm coming undone

G
what looks so strong

Em
so delicate

Am
choke choke again

G
i find my demons are my friends

F
getting me in the end

Em
they're out to get me

A
since i was young

G
i've tasted sorrow on my tongue

F
and this sweet chugga gun

Em
does not protect me

A G A G
that's right
A G A G
trigger between my eyes
A G A G
please strike
A G A G
make it quick now

A
i'm trying to hold it together

G
head is lighter than a feather

F
looks like i'm not getting better

F
not getting better
