

Intro: Am Dm [x2]

Am Dm

Over and over... i've looked....

G Am

you were all.... you have captured...

Am Dm

i want to hold... i want to be.....

G Am

i never want....let go...

Dm Am

i wish... kiss would never....

F E

i need to know

Chorus:

Am Dm

Could i..... could i look....

G F E

could i... together?

Am Dm

could i hold you close... could i hold you for...

F E Am

could i...could i...forever

Verse 2:

Am Dm

Over and over... i've dreamed of....

G Am

now you're here.... you are next to me...

Am Dm

i want to hold... to touch you.....

G Am

make you want....no one but me...

Dm Am

i wish... kiss would never....

F E

oh baby please...

Chorus

Bridge:

Dm Am Dm

i dont want... by without you... side

C G

i just want... all my days

Am Dm

spent being... please....

F E

and baby.... oh by the way....

Chorus
