

so this is what you mean  
and this is how you feel  
so this is how you see  
and this is how you breathe

sometimes  
i know  
sometimes  
i go down deep  
oh

so this is what you mean  
and this is how you feel  
so this how you see  
and this is how you breathe

sometimes  
i know  
sometimes  
i go down deep  
oh

beneath the deep blue sea  
touching every breath  
all a slight off hand  
for everything you left

sometimes  
i know  
sometimes  
i go down deep  
oh

sometimes  
i give myself for you  
sometimes  
i know down deep
