

*Chorus**Em*                      *Am*  
 I been trying not to go off the deep end  
*Am*                      *B7*  
 I don't think you wanna give me a reason  
*Em*                      *Am*  
 I been trying not to go off the deep end  
*Am*                      *B7*  
 I don't think you wanna give me a reason  
                  *Em*  
 Had to come and flip the script  
                  *Am*  
 Had a big bone to pick  
                  *Am*                      *B7*  
 Got the short end of sticks, so we made a fire with it  
                  *Em*                      *Am*  
 Let it burn to a crisp, now that's a sure fire flip  
                  *Am*  
 She's a boss, she's a bitch  
                  *B7*  
 I'll take that as a compliment  
                  *Em*                      *Am*  
 I see 'em moving real low, but leave 'em on a high note  
*Am*  
 Always lead with love, yo  
*B7*  
 Mama raised me thorough  
*Em*                      *Am*  
 They better wake up, niggas on the way up  
*Am*  
 You ain't finna play her  
*Pre-Chorus*                      *Em*  
 Shawty gon' get that paper  
                  *Am*  
 Shawty tongue rip like razor  
                  *Am*  
 Shawty got wit, got flavor  
                  *B7*                      *Em*  
 Pardon my tits and make-up, uh, uh, pay her  
                  *Am*  
 Dribble then hit that lay up  
                  *Am*  
 Shawty ain't with them games, yuh  
                  *B7*  
 Shawty gon' get that paper, pay her  
*Chorus**Em*                      *Am*  
 I been trying not to go off the deep end  
*Am*                      *B7*  
 I don't think you wanna give me a reason  
*Em*                      *Am*  
 I been trying not to go off the deep end  
*Am*                      *B7*  
 I don't think you wanna give, give me  
*Em*                      *Am*  
 I been trying not to go off the deep end  
*Am*                      *B7*

I don't think you wanna give me a reason  
*Em Am*  
I been trying not to go off the deep end  
*Am B7*  
I don't think you wanna give, give me  
*Em*  
Please proceed to light this bitch up  
*Am*  
Life ain't fair, you fight for your cut  
*Am*  
Think I spy your eye on my bucks  
*B7*  
Great, look, now the lion woke up  
*Em*  
You eying my shit, inquiring shit  
*Am*  
Live for the minor event, I finally slip  
*Am*  
Built on the bodies of men, nobody winning  
*B7*  
Contain what I'm bottling in just benefits them

*Pre-Chorus Em*  
Shawty gon' get that paper  
*Am*  
Shawty tongue rip like razor  
*Am*  
Shawty got wit, got flavor  
*B7 Em*  
Pardon my tits and make-up, uh, uh, pay her  
*Am*  
Dribble then hit that lay up  
*Am*  
Shawty ain't with them games, yuh  
*B7*

Shawty gon' get that paper, pay her  
*ChorusEm Am*  
I been trying not to go off the deep end  
*Am B7*  
I don't think you wanna give me a reason  
*Em Am*  
I been trying not to go off the deep end  
*Am B7*  
I don't think you wanna give, give me
