С When the days are cold And the cards all fold Am And the saints we see Are all made of gold С When your dreams all fail And the ones we hail Am Are the worst of all F And the blood's run stale G I want to hide the truth Am I want to shelter you But with the beast inside С There's nowhere we can hide No matter what we breed Am We still are made of greed F This is my kingdom come This is my kingdom come G When you feel my heat Am Look into my eyes It's where my demons hide С It's where my demons hide Don't get too close Am It's dark inside It's where my demons hide С It's where my demons hide
