

Am C G D
Dear, dear diary, I wanna tell my secrets
Am C G D
You're the only one that I know who'll keep them
Am C G D
Dear, dear diary, I wanna tell my secrets
Am C G D
I know you'll keep them, so this is what I've done.

Am C G D
I've been a bad, bad girl for so long,
Am C G D
Don't know how to change, what went wrong,
Am C G D
Daddy's little girl, but he went away,
Am C G D
What did it teach me? That love leaves yeah yeah.

Chorus

Am C G D
I've been down every road you could go,
Am C G D
I've made some bad choices as you know,
Am C G D
Seems I've got this whole world cradled in my hand,
Am C G D
It's just like me not to understand
