Bridge: (Best single part of the whole cd)

F(High) C   A# F(low) A  
E|-8-----8---6--1-----5-  
B|-10-----8---6--1-----5- I like to use these barre  
G|-10-----9---7--2-----6- chords for the bridge because  
D|-10-----10--8--3-----7- it gives it a little less  
A|-8-----10--8--3-----7- darker feel to it, but  
E|-----8---6--1-----5- powerchords work fine also

F (High)  
Keep me runnin' like a deer in the headlights  
C  
All for nothing I thought  
A#            F(Low) A  
Just the ransom I had bought

F (High)  
About the day I tried to tame her  
C  
Never tried to blame her  
A#            F(Low) A  
Just a game that I had bought
