

F *Bb*
Everybody thinks that girl's so fine
F *C*
And everybody's like i'll make her mine
F *Bb*
Everyone thinks that she's a bit of alright
F *C*
But I think that she's not so nice

F *Bb*
Every guy's looking in her eyes
F *C*
Every guy's checking out her thighs
F *Bb*
Everyone thinks that girl's a lady
F *C*
But I dont I think that girl's shady

F *C*
Well I'll just read a book instead
Dm *Bb*
I don't care if we're just friends
F *C*
Well I can hang out with myself
Dm *Bb*
I'm old enough now to pretend
F *C*
Well I'll just read a book instead
Dm *Bb*
I know that you think she's best
F *C*
Well I don't even think she cares
Dm *Bb*
I don't know what you see - there's nothing there!
