```

C#m

On top of the roof

A B

The air is so cold and so calm

C#m

I say your name in silence

A B

You don't want to hear it right now

C#m

The eyes of the city

A B

Are counting the tears falling down

C#m

Each one a promise of everything

A

You never found

A

I scream into the night for you

B

Don't make it true

F#

Don't jump

A

The lights will not guide you through

B

They're deceiving you

F#

Don't jump

A

Don't let memories go

B

Of me and you

F#

The world is down there

A

Out of view

C#m

Please don't jump

C#m

You open your eyes

A B

But you can't remember what for

C#m

The snow falls quietly

A B

You just can't feel it no more

C#m

Somewhere up there

A B

You lost yourself in your pain

C#m

You dream of the end

A

To start all over again

A

I scream into the night for you

B

Don't make it true

F#

Don't jump

A

The lights will not guide you through

B

They're deceiving you

F#

Don't jump

A

Don't let memories go

B

Of me and you

F#

The world is down there

A

Out of view

A

Please don't jump

A

Don't jump

A B C#m A x2

A B C#m A
I don't know how long
A B C#m A
I can hold you so strong
A B C#m A
I don't know how long
A
Just take my hand
B
Give it a chance
C#m
Don't jump

A
I scream into the night for you
B
Don't make it true
F#
Don't jump

A
The lights will not guide you through
B
They're deceiving you
F#
Don't jump

A
Don't let memories go
B
Of me and you
F#
The world is down there

A
Out of view

A
Please don't jump

B
Don't jump

F# A
And if all that can't hold you back
C#m
I'll jump for you.
