

[Verse 1]

C G Am  
Slip inside the eye of your mind  
E7 F G  
Don't you know you might find  
C  
A better place to play

[Am, G] - Transition chords, played quickly

[Verse 2]

C G Am  
You said that you'd never been  
E7 F G  
But all the things that you've seen  
C  
Slowly fade away

[Prechorus]

F Fm C  
So I start a revolution from my bed  
F Fm C  
Cos you said the brains I have went to my head  
F Fm C  
Step outside the summertime's in bloom  
G  
Stand up beside the fireplace  
G#/E7  
Take that look from off your face  
Am G F G  
Cos you ain't ever going to burn my heart ouuuuuuuuuut

[Chorus]

C G Am E7 F  
So Sally can wait, she knows it's too late  
G C  
As we're walking on by  
C G Am E7 F  
Her soul slides away, but don't look back in anger  
G C  
I heard you say

[Mini solo over once through the verse progression]

Note: I think this solo is mostly in A-minor pentatonic.

[Verse 3, prechorus, chorus, are all same progressions as earlier]

Take me to the place where you go  
Where nobody knows  
If it's night or day  
Please don't put your life in the hands  
Of a Rock and Roll band  
Who'll throw it all away

Gonna start a revolution from my bed  
Cos you said the brains I have went to my head  
Step outside the summertime's in bloom

Stand up beside the fireplace  
Take that look from off your face  
Cos you ain't ever gonna burn my heart ouuuuuuuuuut

Chorus again:

So Sally can wait, she knows it's too late  
As she's walking on by  
Her soul slides away, but don't look back in anger  
I heard you say

[Solo over prechorus chords]

Again, this solo is based mainly on pentatonic ideas. The length is once through the prechorus progression. Double the length if you want to solo a bit longer. Work those bends and kick some more emotion into an already emotional song!

[Drum fill]

Chorus again, but endings:

*F* (upstroke)  
But don't look back in anger  
*Fm*  
Dont look back in anger  
*C*  
I heard you say

Once more through the verse progression, then end on:

*C*  
At least not today
