AEDon?t pretend your sorry i know your notF#mDyou know got the power to make me weak insideAEgirl you leave me breathless, but its okF#mDyou are my survival now hear me say

F#m Вm D Cant imagine life without your love F#m D Ε even forever don?t seem like long enough Α Ε F#m cuz every time I breath to take you in, and my heart beats again D Α baby I cant help it, you keep me drowning in your love Ε Α F#m and every time I try to rise above im swept away by love D Α baby I cant help it you keep me drowning in your love

Maybe im a drifter maybe not cuz im on the safety of floating freely in your arms and I don?t need another life line its not for me cuz only you can save me cant you see

Bm D F#m D E no one pull me under cover me with dreams love your mouth to mouth now and you know i cant resist cuz you?re the air that I breathe
