

B A E B
High, higher than the sun, you shoot me from a gun

A E B
I need you to elevate me here

A E B
At the corner of your lips, as the order of your hips

A
Eclipse

E B
You elevate my soul

A E B
I've got no self-control, been living like a mole

A E
Now going down excavation

B A E B A
I and I in the sky, you make me feel like I can fly so high

E
Elevation

Elevation

(do c.p. *B-A-E*)
A star lit up like a cigar
Strung out like a guitar
Maybe you can educate my mind
Explain all these controls
Can't sing but I've got soul
The goal is elevation

(do c.p. *B-A-E*)
A mole digging in a hole
Digging up my soul now going down excavation
I and I in the sky
You make me feel like I can fly
So high
Elevation

E-[A](7x)

B A E
Elevation

Love, lift me up out of these blues
Won't you tell me something true
I believe in you

(do c.p. *B-A-E*)
A mole digging in a hole
Digging up my soul now going down excavation
I and I in the sky
You make me feel like I can fly

So high
Elevation
